## Founder's Message

All the fields have to embrace change owing to the growing face of education. We believe that we are the people who provide opportunities to children to explore their talent and push them to their full potential. In our school we try to give quality education. We give exposure to children's creativity and provide equal opportunities to every child. Our education is based on an amalgamation of 'Indian Culture' and 'American Technology'. We are aware that these students are our country's future builders and leaders. It is our aim to make them responsible, strong, wise and caring global citizens.

## About Us

 **Jadhavar®**  
The Symbol of Success (Since 2014)

### ● Clubs -

Different clubs like dance, music, karate, chess, and carrom have been introduced to improve the students' skills and enhance knowledge in the concerned area.

The school has hired professionals to teach vocals and instruments like harmonium, tabla etc to give the children hands-on experience of these instruments.

- We motivate the students to take part in dance and other such activities.
- Continuous comprehensive evaluation ensures best results.
- We encourage the students to appear for different competitive examinations.
- We motivate the children to participate in healthy competitions at school as well as at inter-school level.
- To increase the concentration and to keep the soul and mind healthy we take regular practice of meditation and yoga during assembly.
- Outing, picnic, study trips, educational tours are arranged for the benefit of the children.

## Principal's Desk

### Principal

I take this opportunity to welcome you and your child back to JIS for the next Academic year. I would like to extend a special welcome to those who are new to our school. The coming year will be filled with a lot of challenges and exciting opportunities for you as parents, we as teachers and students.

The main objective of the school is to impart knowledge to students in such a way that it will help each one to become a good citizen of this country. We are a caring community where traditional and modern educational values are respected and students are given priority.

The management and staff believe that every child is special and has an inborn ability to learn. The unique, innovative approach and an unmatched infrastructure help students reach their fullest academic, physical, cultural, social and artistic potential. The school provides experienced manpower so as to face future challenges with confidence and enthusiasm.

Our free play, music, art and other activities, materials are designed to develop the full range of motor skills and scientific learning.

I would like to thank the JIS Management for providing us with all these facilities and infrastructure. I strongly believe that the students of JIS will shine with flying colours with such a diligent workforce to back them up.

## About Us

In June 2016  
A Unit of LUTJF  
was founded to impart quality  
education to the students.

It is affiliated to the  
CBSE board  
and situated at Narhe, Pune.

We provide value based  
quality education  
to develop all creative aspects  
of a scholar's personality.

### Mission

- To encourage students to draw inspiration from their ethos and culture and broaden their horizons to embrace a world view
- To teach students the important values of life like honesty, humility and humanity.
- To dream big and strive to achieve their highest potential
- To have underprivileged children along with privileged children, through such efforts we will contribute to develop our rural communities.

### Our vision

Our statement  
'Education for Strength Intellect & Wisdom', to educate all students to the highest levels of academic achievement to enable them to reach & expand their potential & to prepare them to become productive, responsible, ethical, creative & compassionate members of society.

### Activities

- Tab Education
- ABACUS to grow with mental Maths
- Khan Academy Techniques to make fast learning
- Meditation
- Robotics

### Objective

The objective of our school is to assist the students in unfolding their talent and help them grow to the highest possible level in as many fields as possible for each individual. We strongly believe that teachers, curriculum, infrastructure, curricular, co-curricular activities & facilities are the basic components required to create good citizens of this country.

- Well-stocked library with 3000 books

- Well-equipped laboratories for Science, Computers as well as English language.

- School has hired special coaches to guide the students in various indoor and outdoor games.

### Curriculum

Subjects range from Maths, Science and Social Science to Computers and Environmental Studies. Languages like English, Hindi, Marathi, German and Japanese are taught. Physical education is also given preference. The language of Instruction is English. At JGI, we try to maintain balance between curricular and co-curricular activities.
